UNIVERSITÄT
DES
SAARLANDES

Foto: Oliver Dietze

Saarland University is a campus university with an international reputation for research excellence, particularly in computer science and in the life sciences and nanosciences. The university is also distinguished by its close ties to France and its strong European focus. Around 17,000 students, studying over one hundred different academic disciplines, are currently enrolled at Saarland University. Saarland University is officially recognized as one of Germany's family-friendly higher-education institutions and with a combined workforce of more than 4000 it is one of the largest employers in the region.

The Chair of Information Systems for the Service Industry is inviting applications for the following position commencing **at the earliest opportunity**.

Academic research assistant (m/f/x)

Reference number W2482, salary in accordance with the German TV-L salary scale¹, pay grade: E13 TV-L, duration of employment: limited to 2 years, volume of employment: 100/50 % of standard working time.

Workplace/Department:

The Chair of Information Systems for the Service Industry

Job requirements and responsibilities:

- Expertise in working with AI technologies and data analysis
- Strong analytical skills
- Passion for sustainability and a strong understanding of ecological and socio-economic challenges

Your academic qualifications:

- Completed university studies in environmental engineering, business informatics, business administration (BBA), or computer science (Master's or equivalent)
- Language skills (according to GER): German-C1, English-C1

The successful candidate will also be expected to:

- Develop AI models for quantifying and optimizing the sustainability of industrial processes
- Analyse and model data to identify improvement potentials in terms of environment, social issues, and corporate governance (ESG)
- Evaluate the effectiveness of implemented AI solutions
- Language skills (according to GER): German -C1, English -C1

¹ TV-L = collective agreement on remuneration of public sector employees in the German *Länder*

What we can offer you:

- A flexible work schedule allowing you to balance work and family, among other things the possibility of teleworking
- Secure and future-oriented employment with attractive conditions
- A broad range of further education and professional development programmes (for example language courses)
- An occupational health management model with numerous attractive options, such as our university sports programme
- Supplementary pension scheme (RZVK)
- Discounted tickets on local public transport services ('Job-Ticket Plus' of the saarVV)

We look forward to receiving your **meaningful online application** (in a PDF file) by **30.06.2024** to **annette.krames@uni-saarland.de** (please enter your mail address here). Please include the reference number **W2482** in the subject line of the e-mail.

If you have any **questions**, please contact us for assistance. Your contact:

Frau Annette Krames

Chair of Information Systems for the Service Industry

Tel.: +49 681 302 64736

Pay grade classification is based on the particular details of the position held and the extent to which the applicant meets the requirements of the pay grade within the TV-L salary scale. Part-time employment is generally possible.

If you have obtained a foreign university degree, a proof of the equivalence of this degree with a German degree by the Zentralstelle für ausländisches Bildungswesen (ZAB) is needed before hiring. If necessary, please apply for this in time. You can find more information at <https://www.kmk.org/zeugnisbewertung>.

Unfortunately, neither costs for attending an interview at Saarland University nor costs for any certificate evaluation by the ZAB can be reimbursed in principle.

We welcome applications regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age, and sexual orientation and identity. In accordance with its policy of increasing the proportion of women, the University actively encourages applications from women. Applications from severely disabled persons will be given preferential consideration in the event of equal suitability.

When you submit a job application to Saarland University you will be transmitting personal data. [Please refer to our privacy notice for information on how we collect and process personal data in accordance with Art. 13 of the Datenschutz-Grundverordnung](#). By submitting your application you confirm that you have taken note of the information in the Saarland University privacy notice.
